

Free offer for non-profits

Professional promotion

We work with non-commercial organizations who's goal is to protect the environment. This is not charity. Working with non-profit organizations is our business, and we try to make this business mutually beneficial.

Our offer to you consists of the following free of charge:

- Report on your current competitive and social online visibility, top online promotion opportunities, best practices and suggested methods.
- Brief research on your currently available media assets online usage opportunities. Content re-use and user generated media content creation engagement. Social advertising.
- Rich media advertising unit for your campaign.

You will receive all of this for free by filling out a form below. You can also contact us by writing to rfp@banditads.com

Target outcomes

It is not the money that most successful projects lack, both real world and online.

Active initiative, strong will to achieve the desired result. Clear vision and the commitment to the established goal.

If we see that in your organization, if we feel that you are ready to dedicate your time and attention - we will propose partnership.

If we won't be ready to support you, you will still receive a free report, brief research and a rich media banner.
